VOLUME 34—ISSUE 7 December 2023

Do you have a large family gathering at Christmas? We didn't live close to extended family, but one year we made a trip to be with my dad's family in Michigan for the big day. There were about 25 people gathered in my Grandma's house for eggnog and homemade fruitcake (NOT the candied cherry, store-bought, paperweight you may be thinking of), and gifts were piled high under the tree. As the presents were passed out and cousins, aunts, and uncles tore into them simultaneously, it was chaos. Finally, my 3-year-old sister approached my aunt and said as only a child can, "My name is Amy. Is there anything for me?" Needless to say, they quickly found a gift with her name on it.

We still giggle about that small voice in the midst of busyness and chaos. That little girl asked, and received a gift.

How many times in the Bible does God tell us to ASK? "And whatever you ask in prayer, you will receive, if you have faith." (Matt. 21:22)

"If you then, who are evil, know how to give good gifts to your children, how much more will your Father who is in heaven give good things to those who ask him!" (Matt. 7:11)

So we are asking YOU to give an extra gift to help PsalmFM close out 2023 strong.

Your gift can help change the lives of your friends and neighbors through the broadcasts of God's message through word and song. Needs change, staff changes, technology changes, but what remains the same is PsalmFM's commitment to proclaim the Good News of salvation through Jesus Christ. And you are a vital part of that. Together, we ask God to provide, and He uses you and me to do His work. Will you ask Him what He wants you to give to keep PsalmFM broadcasting throughout Minnesota and Ontario in 2024?

Your gift is tax-deductible, and we can't thank you enough for making a difference in someone's life by supporting PsalmFM! Use the enclosed envelope, or go online to donate securely at psalmfm.org/donate/

Thank you so much, and have a merry, merry Christ-mas!

A WORD WITH GREG

Psalm FM is a ministry that seeks to spread the world of truth to a world very much in need of what the Bible contains. This Christian radio ministry is a place where the masses can hear God honoring messaging that is relatable to the public. The radio personalities are driving on the same roads, shopping in the same stores, and enduring the same weather as those under the sound of their voices. Psalm FM provides companionship and understanding as well as truthful messaging to whoever is willing to listen. While there are also syndicated broadcasts involved, Psalm FM is a place where listeners can learn, interact, and be encouraged spiritually by people who live just like them. The attraction is not some ridiculously fantastic headline, lustful imagery, or romanticized portrayal of how a product might change one's life. Instead, Psalm FM offers the truth of Scripture from real people who need it just as much.

THOUGHTS FROM DALTON'S DESK

Christmas, if we're being honest, is a busy time of year. Amazon packages are being delivered, gifts are being wrapped, food and goodies are being eaten - all of which is good. But sometimes, we can get so caught up in our own lives, that we forget the reason for the season.

One song that never fails to bring me back to the reason for Christmas is O Come O Come Emmanuel. In this song, we don't hear lyrics of joy or wrapping of gifts, but a deep cry of longing - a longing for God to fulfill His promise to redeem Israel, and ultimately, the whole world.

As we know, God always follows through. He redeemed the world through His son who was born in the humbleness of a stable, and placed in a manger. As you get things prepped and ready for Christmas, remember to thank God for the redemption He gave through His son.
