VOLUME 35—ISSUE 1 January & February 2024

During a visit from a PsalmFM listener last week, she told us that she's been listening to KBHW since she was a child, and now she and her kids listen: "You'll never know the impact you bring every day, how many people you impact...I've been impacted a billion times."

If you, like her, have been changed by a message you've heard on Christian radio, would you join us in this ministry? **These last few months, we've seen a significant drop off in gifts, but the bills keep coming in!**

YOU can impact your friends' and neighbors' lives when you become a faith partner with PsalmFM. Can you designate \$15 a month to changing lives through PsalmFM's faith-filled messages? Your faith promise gives hope and encouragement to your friends and neighbors as we journey through life together.

Also, if you own a business, please ask us how your business can sponsor programming on PsalmFM.

Please visit psalmfm.org/donate for ways to give. Thank you for partnering with us to spread the Gospel through the Northland!

Greg records some fun spots with kids in the production studio.

Dalton shares with a homeschool group touring the PsalmFM studios in February.

In February, our staff hosted a homeschool group at our studios for a behind-the-scenes look at how radio works! These young broadcasters-in-the-making got to record their voices, see past and present radio equipment, and meet the people whose voices they hear on PsalmFM.

It is a joy for us to share the ministry both in the studio and out in the community!

Thank you to our 3rd Quarter Sponsors

Thoughts from Dalton's Desk

It's taken me a while to get used to saying 2024, but I think I have it down. Starting a new year may be a source of joy for you, or a source of anxiety. No matter how your first couple of months of 2024 have started, be assured that God's got you.

That's the theme of Danny Gokey's new song "I Got You." This song beautifully illustrates God's faithfulness to you in every season. You may be going through times of great joy or ones of immense sorrow and still, the Lord is with you.

As the song says, "In the joy, In the pain, In the breaking, I'm standing on You, 'Cause I got you." I pray you take comfort in that truth as 2024 continues. Keep your ear out for other new songs as we continue to add more uplifting songs.

Dalton is heard on PsalmFM weekdays from 1-6 p.m. Contact him at dalton@psalmfm.org.
